REPACKAGING ALBUM LOVE YOURSELF 結ANS, LOVE YOURSELF 結 ANSWER Loving self is where true love begins A celebration with the ARMY First presented in March 2016, the BTS SERIES LOVE YOURSELF creates a narrative by linking the key songs on each album to a single theme, giving the message that loving yourself is true love. Like a well-written novel that has been introducing, developing, twisting, and concluding that they share a fascinating story for two and a half years. RESPONSE is the last piece of the puzzle. Although it's a repackaged album, LOVE 結 ANSWER still includes seven brand new tracks. CD A is an original album, its sixteen tracks all linked lyrically to highlight BTS' prowess both as artists and storytellers. album by South Korean boy group BTS 2018 compilation album by BTS.Love Yourself: AnswerCompilation album by BTSRefres 24, 2018 (2018-08-24)[1]Recorded2016–2018[2]GenrePop[3]Hip hop[3]K-pop[4]Length1:39:51 (physics)[1:44:11 (digital)LanguageKoreanLabelBig HitHiverColumbiaVirginProducerPdoggBTS chronology Love Yourself: Tear(2018) Love Yourself: Answer(2018)Map of the Soul: Persona(2019) Natural Album Cover Left to Right: S Edlions, E. L. and F Singles from Love Yourself: Answer Idol Released: August 24, 2018 2018 Love Yourself: Answer (stylized as LOVE YOURSELF 結 Answer) is the third Korean album collection[A] from the South Korean boy band BTS. The album was released on August 24, 2018 in Big Hit Entertainment and is available in four different versions: S, E, L and F. The album contains twenty-five tracks (twenty-six for the digital version), including seven new songs, with the Idol track serving as the lead single. Most tracks are from Love Yourself: Her, and Love Yourself: Tear, including some remixes. The album debuted at number one in South Korea, Canada, Japan and the United States, becoming the second chart-topping bts album on the U.S. market. On November 9, 2018, Love Yourself: Answer became the first Korean gold-certified album in the United States. [7] It also sold 60,000 copies in the UK, making BTS the first Asian artist to be certified silver in the country. On November 7, 2019, it was reported that Love Yourself: Answer re- on billboard 200 on November 4 (No. 165). The album has remained on the charts for 52, non-consecutive weeks, making the album the first, and currently only K-pop album to remain on the Billboard main album chart for an entire year. [8] History and release of Love Yourself: Answer was first announced on July 16, 2018,[1] with the release of the album containing seven new tracks the next day. [9] The album was conceived as the finale of the Love Yourself, which linked the plot of the short film Love Yourself 起 Wonder, EP Love Yourself 承 'Her', and studio album Love Yourself 轉 'Tear' [1] forming the narrative composition 起承轉結 (起言) (Kishotenketsu). [10] Two versions of Jin BTS in the return trailer Epiphany, Epiphany, a personal journey. [11] On August 6, Big Hit Entertainment released a note from Most Beautiful Moment in Life, part of a series of fantastic notes about the idea of BTS albums, starting with their 2015 EP The Most Beautiful Moment in Life, Part 1. The note, written by BTS member Jin, spoke of him finding a notebook written by his father in the story. The book discussed father's failures. Three days later, on August 9, the album's trailer was released, with a new song titled Epiphany. The solo, described by Billboard's Tamar Herman as a 'pop-rock building melody', [13] was performed by Jin, and talks about finding self-love. The song serves as one of the tracks on the album. [14] The trailer was directed by Yong-seok Choi (Lumpens),[15] and depicts multiple versions of Jin in a Room, telling the story of a personal journey. [13] Philip Merrill of the Recording Academy described the use of having the feeling of going backwards and forwards, through time and through different versions of himself. [11] Discussing Jin's performance of the video, Hong Hye-mim of the Times of Korea said he was well-acted and emotional, with Jin's sad, free voice standing [ing] out. [16] Concept promotional photographs showing four different themes were released on 13 August for the 'S' and 'E' editions,[17] and 16 August for the 'L' and 'F' editions. [18] The S version contained elements inspired by New Romanticism, with BTS in bright red boxes surrounded by cameras, eyes, hands and amplifiers. Concept version E contained bright pastels, with BTS members in bubbles filled with fantastc elements of nature. [19] The second set of teasers, versions of L and F, were brighter, with BTS members wearing a mix of road streetwear and formal blazers and suits. In addition, version L contained black and white images, with contrasting bright photos. [20] The official tracklist was released on August 20, revealing that it would be a collection album containing songs from Love Yourself: She and Love You: Tear, with a total of twenty-five tracks. [21] The tracklist also announced mixed versions of previous singles BTS DNA, Mik Drop and Fake Love. [22] On August 22, 2018, the teaser for Idol was released. [23] On August 24, two hours before the release of Love Yourself: Answer, Big Hit Entertainment announced that an alternative version of Idol featuring Nicki Minaj would be included in the digital version of the album. [24] Then, the album was released, along with the music video for The Idol. [25] A music video for The Nicki Minaj version of Idol was released later on September 6, 2018. [26] Composition Some of the album's themes include empowerment, love and reflection, while the moods exhibited through the album are cathartic, vivid, confident, passionate, and longing among many other things. The album genre presents different types of pop. [27] [1] In an interview with Billboard some of the who helped with the album recalled their thought processes and aimed for the album. Writer Melanie Fontana, who worked on Euphoria, wanted the choir to explode with something more chanty, but the crowd could sing along easily too. Ray Michael Djan Jr. said the song 'm Fine was a response to a previous song he helped write titled Save Me. A lot of drums and bass influenced 'm Fine and mixed a lot of different sounds to create it. In the title song Idol, Ai Tambosi said the representative from Big Hit wanted the song to be fast intense. [28] Bts Promotion arrive at KBS' Music Bank to perform on August 31, 2018. On August 26, 2018, BTS held a press conference discussing the album, as well as the BTS World Tour: Love Yourself, which launched the day before. [29] They performed Idol and 'm Thin at various South Korean music shows for the week of August 26 with pre-recorded performances airing next week.[30] including Countdown M, Music Bank, Show! Core music, and Inkigayo. [31] An abbreviated version of Save Me from the most beautiful moment in life: Young Forever served as an introduction piece during the 'm Fine performance for M Countdown. [32] BTS performed Idol at the second Soribada Best K-Music Awards on August 30, with Fake Love sung as an encore performance. [33] While in the United States on the North American leg of their Love Yourself tour, BTS performed Idol for the second semifinal episode of America's Got Talent season thirteen, which aired on September 12. [34] [35] The band sang Idol on the Tonight Show starring Jimmy Fallon and Good Morning America on September 25 and 26 respectively.[36] in addition to a sit-down interview on both shows. [37] [38] A bonus performance of 'm Thin was also released on tonight's YouTube channel show. [39] On 1 October 2018, news emerged that BTS was scheduled to appear on the BBC's The Graham Norton Show on 12 October[40], which was later confirmed by Big Hit Entertainment five days later. [41] Critical Reception Professional RatingsReview scoresSourceRefersCMP[42]AllMusic[27]Music910 Clash[43]Billboard[44]vee[45]Love Yourself: Response Retrieved positive reviews from critics. Nemo Kim from the South China Morning Post gave the album four stars out of five and said, [BTS] rapists show their chops on solo tracks, band send a message to Korean youth about self-love, and Idol's single sees them don traditional garment and mix pop with aneurcercussion as Minaj joins in,praising the album as bts' cement position among the arts z. [42] In a positive Taylor Gyavis of Clash magazine described the album's narrative as depicting [a] the fears, wrongs and thoughts we think we cannot ourselves that remain painfully reliable. In addition, he said the narrative serves to remind us that each person must make his own course, and there is not a one-size-fits-all response to achieving self-acceptance. However, for the Answer: I love Yourself, the piece completed is completed narrated for the album. Glasby felt that lyrically transcended allowing playing the instrumental a little too safe. [3] Tamar Herman of Billboard praised the album, calling it a masterful culmination of years of work and full of meaning. Answer is undoubtedly a magnum opus from BTS that few other artists, boy bands or otherwise, can ever hope to achieve.
